Class teachers and staff structure for 2023/2024

Dear Parents and Carers,

We have been busy planning ahead to ensure we have the very strongest and most skilled staff team in place to teach our children for the 2023/2024 school year.

The class teacher structure for 2023/2024 will be as follows:

The Bridge – Miss Jeffcock

Nursery – Mrs. Corr

Reception – Mr. Jordan

Year 1 – Miss Brush

Year 2 – Ms Turner

Year 3 – Mr. Carter

Year 4 – Mrs. Jamieson

Year 5 – Mr. Sayers

Year 6 – Mr. Murphy

We are also delighted to introduce a new provision, 'The Bridge' which will be based in our lower building from September 2023. We have secured significant funding from various sources to create our very own provision in school to meet the needs of children with significant special educational needs and disabilities who already attend our school and might do so in the future. This provision will be led by Miss Jeffcock and will include a fully refurbished learning space and a brand new sensory room designed and installed by a professional company. 'The Bridge' will also continue to be the base for Mrs. Wakenshaw's 'Thrive' social, emotional and mental health support work that benefits children across the school.

By having 'The Bridge' provision it will mean that in all of our classes across the school all of our children's needs are fully met and all children are getting the provision that is right for them. We are really proud to be putting a structure in place

PROUD TO BE A

that is quite unique and promotes our ethos that Lemington Riverside Primary School is a school for every child in Lemington.

Alongside our class teachers, we have a team of outstanding teaching assistants who provide exceptional additional support to children across the school. We are also pleased to confirm that we are in a position to expand that team by one member this summer.

Following parent/carer feedback last year, we will be hosting a **special open evening** on **Tuesday 4th July** between **3:30 and 5:00pm** where parents and their children will be welcome to visit your child's new classroom, meet your child's new teacher and ask any questions you might have ahead of the new school year.

Children across the school will all spend the day with their new class teacher in their new classroom on our whole-school transition day on **Wednesday 12th July**. On that day, children should be dropped off and collected from their current classroom.

With so many exciting developments in our school this year we are extremely excited for what lies ahead in the 2023/2024 school year here at Lemington Riverside!

With best wishes,

Mr. Heeley
