July 2023

**End of year message to the children of Lemington Riverside, from Mr. Wilson,  
the Chair of Governors**

Dear Children,

I hope that you have all enjoyed a wonderful and exciting time at school this year and have learned many new things and have visited many new places. Looking forward, I know that there will be a lot more exciting activities to taking place in the new school year starting in September. These will provide excellent opportunities to learn and to have some fun at the same time - so keep working hard and make sure that you enjoy everything. This year there has been some great new things happening in school, in particular with the recent developments to the playgrounds and outside areas. These all look fantastic and must be wonderful for you to use and to play on.

The end of the school year can sometimes be a bit sad as you leave your old class and move to a new one, but this can also be an exciting time too as you look towards the new school year and start thinking about the many things that you will be doing. So, remember all that you have learned and enjoyed during this year and be ready for the new things that you will be learning when you come back to school after the summer holidays.

Finally – to the Year 6 pupils and any other pupils who may be leaving Lemington Riverside at the end of the summer term – enjoy your time in your new schools and make sure that you take advantage of all of the opportunities that come your way in the years ahead. Always remember your time spent at Lemington Riverside and all that you have learned here. Please keep in touch with us and visit from time to time to tell us about what you are doing and learning.

Very best wishes to you all for the summer and for the new school year ahead.

Mr Wilson

Chair of Governors

Lemington Riverside Primary School
