February 2024 Newsletter

Dear Parents and Carers,

I'm pleased to be able to bring you the very latest news from Lemington Riverside as the days begin to get lighter and those brighter spring days edge closer!

New parent governors: We recently advertised two vacant parent governor positions on our Governing Body. I am delighted to confirm that we received two applications and our two newly elected parent governors are **Jamie Robson** and **Marcus Rowe**. Jamie has a son in year 3 and Marcus has a son in Reception class and a daughter in year 2. They both submitted very strong applications and will be warmly welcomed on to our Governing Body.

Attendance: We have had superb whole-school attendance since the start of the new term and last week our whole-school attendance was a very strong **96%**. Well done to everyone!

Shingles: We have had a confirmed case of shingles in our Year 2 class. Children who have not previously had chicken pox can catch this from somebody who has shingles, so we would advise parents/carers to be vigilant to the symptoms of shingles/chicken pox and seek medical advice should your child develop these. You can find more guidance on the NHS website by scanning the QR code at the side of the page. NHS guidance states that children with chicken pox or shingles should *"stay off school if the rash is still oozing fluid (weeping) and cannot be covered, or until the rash has dried out."*

World Book Day 2024: Lemington Festival of Reading

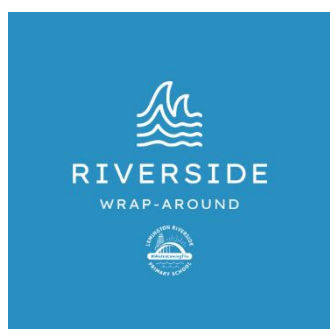

To mark World Book Day on **Thursday 7th March** we will be having our very own festival of reading at Lemington Riverside! The children will enjoy a range of fun reading activities over the day during our festival and we invite children to wear their own chilled and comfy clothes for the day, just like you would if you were off to a festival like Glastonbury! All children will also receive a book voucher that can be spent in local shops and supermarkets.

Safer Internet Day: Tomorrow (**Tuesday 6th February**) is 'Safer Internet Day' and across school children will be taking part in activities and discussions to help them be safer when online. We will also be joined by an online safety expert who will be delivering assemblies for children in years 1, 2, 3, 4, 5 and 6. The 'Safer Internet' website offers some great tips/advice for adults to help you keep your child safe online. Scan the QR code to the right of the page to visit the website.

'Stay and Play': Every Tuesday (10:00-11:00am) during term-time at the Charlton Street Community Hub (next door to school) our 'Stay and Play' sessions take place. 'Stay and Play' is ran jointly by Lemington Riverside and Healthworks Pre-School. It is for 0-3 year olds and their grown-ups, is free to attend and no pre-booking is required.

Riverside Wraparound: We continue to offer before and after school wraparound provision **from 7:45am** each day and **until 6:00pm** each evening. The childcare provision is ran by Lemington Riverside staff and the school makes no profit from wraparound, meaning we can keep costs as low as possible. Morning sessions are £4 per child (includes breakfast), evening sessions are £9 per child (includes evening meal) or you can book both for £12 per day. Places must be pre-booked and paid for at least 24 hours in advance of children attending. To book, please speak with Nicole in the school office.

Dates for your diary:

Wednesday 7th February: Y6 visiting NUCastle United Foundation for Science, Technology, Engineering and Maths (STEM) activities.
